Waterways High Water Safety Advisory Morgan City – Port Allen Landside Route

As a result of the extreme high water conditions with the expectation of the water to continue to rise, the Captain of the Port Morgan City is requesting all mariners use caution while transiting the Gulf Intracoastal Waterway of the Morgan City – Port Allen Landside Route between MM 0 and MM 40. All mariners are reminded that you are responsible for your wake and are requested to proceed at a safe speed while minimizing your vessels wake in the vicinity of shoreline homes and businesses.

For questions or comments, please contact LTJG Rob Marquardt, Assistant Chief, Waterways Management, at 985-380-5334.
