

Bethany Christian Services is the nation's largest adoption agency and has been in Bellingham for 25 years, have more than 75 locations in over 30 states, and have international partners who help serve orphans living on five continents. This ministry is called to care for children of all ages and in all stages of life. Their comprehensive services include **Adoption, Foster Care, Pregnancy Counseling, Post-Adoption Counseling, and a 24-hour Live Web Chat.** Bethany's mission calls them to demonstrate the love and compassion of Jesus Christ as they work to find children a "forever family" that are the best families for children in need around the world.

How You Can Respond:

- Pray for women experiencing unplanned pregnancies, that they would find peace with the decisions they are making.
- Pray for families who are in the process of adoption.
- Take home a "Bethany Bank" and fill it up! Bring it back to our office on State Street, or return to the FPC Info Table on Sunday mornings.
- Learn about how to become a foster parent and see if it is right for you!
- Become a financial partner with us. More information available at the Bethany Booth after the service.
